# Rave Reviews...

"**It's been a while** since our return, and we've been in a constant state of denial. Having become accustomed to solitary confinement for hours at a stretch, interrupted only by brief intervals of inane banter, the brain is no longer equipped for life in an office environment.

The mileage was grueling, but justified by the magnificence of all there is to see and all the people who make America what it is. In every bar, restaurant, supermarket, drive-thru coffee shop and town that time forgot, characters abound.

If this sounds uninspired, it's because we're at a loss for words. Maybe we've just got a taste for freedom, a life on the road, few responsibilities and the time to enjoy. Sign me up, Scotty..."

"**Having returned** from a two-week tour, incorporating Oregon, Idaho and Wyoming, I should like to record our grateful thanks.

Ever since my initial enquiry and acceptance of the idea, the paperwork has been minimal and the organisation most efficient.

The bike was great, and a very willing workhorse which dragged my wife and me, plus all of our luggage, over 2,800 miles without once missing a beat. What more could be asked?"

**Paul & Val Heley**

---

"**I had an awesome ride** and appreciate all you did in setting me up with a great bike, maps and an awesome route!

Oregon is definitely a beautiful place to ride – I had no idea how gorgeous the land is out there.

Thanks again, if I ever make it out that way again, I'll give you a call for another ride.

Thanks!"

**Scott Lee**

"**On behalf of the travelling classes** (creaky old crinklies), we thoroughly enjoyed our trip.

It was a long journey. But gosh, we saw a lot and met a lot of nice folk. It was worth it! Thanks for everything."

**Arthur Withey**

---

"**I rented a motorcycle** from your shop in Bend this last summer and would like to be added to your list of vocal riding customers with the following remark:

'The best part of the family reunion at Sunriver was hopping on that big motorcycle with a passenger and riding the Century Drive loop. Everything else I did during that week was tame by comparison.'"

**Andreas Mueller**

---

"**We've been back at work** for about a week and are now ready for another tour even though we still haven't sorted the 120+ pictures and over an hour of video!

Many thanks for another SUPERB holiday."

**Mike & Di Asplin**

---

"**It's been eleven weeks** since the most wonderful holiday of our lives. We have found it almost impossible to settle back into the 'normal' routine of everyday living in England.

Thank you for the time and care you put in, and for the experience you led us to."

**Jenny Baxter & Rob Boss**

---

"**This is just a short line** to say thanks very much for our FLYRIDE-USA adventure; we are still on a high now. We can't thank you enough.

Regards and THANKS."

**Lionel & Mark Jennings**

"**I would describe this holiday** as a total adventure, memorable for many reasons. The route was staggering – crossing the Golden Gate Bridge into San Francisco, riding the Big Sur [PCH-1] and visiting Yosemite National Park... 2,500 of the most enjoyable miles of our lives! We have still not come to terms with the whole experience some two months on, it really was *that* good!

We recommend FLYRIDE-USA to those who have a sense of adventure, as America is literally the place where dreams can come true if you are prepared to make the effort.

We will certainly be going again with FLYRIDE-USA!"

**Kevin Evans & Peter Holmes**

---

"**We chose FLYRIDE-USA** as they were the least expensive bike hire company, and also the friendliest. With excellent service and a personal touch, their staff went out of their way to help us, including an extra day on the bike for free and courtesy transport to-and-from the airport.

The scenery was spectacular, and could change from stunning coastline to shimmering desert to national park forest in a day's ride. Top trip, thoroughly recommended!"

**Sarah & Kevin Nicholson**

---

"**Even after several bike tours of Europe**, this was something special. With the benefit of FLYRIDE-USA's local knowledge, we had two brilliant weeks of stunning scenery, glorious weather and the most fattening breakfasts ever!

Thanks to FLYRIDE-USA's route planning and excellent choice of motels/hotels, we had nothing to do, except enjoy ourselves.

Would we recommend it to others? Certainly! Anyone with a spirit of adventure couldn't fail to enjoy themselves. Will we go again? We certainly hope so!"

**Mike & Di Asplin**

**"We selected FLYRIDE-USA.** They not only had the package we required, at the right price, but they also displayed a genuine friendly politeness, so rare these days.

We recommend this holiday. 'GO!' You will not be disappointed! Indeed, we shall continue to recommend the 'FLYRIDE-USA experience' as long as our brains are functioning."

**Chris & Angie Birch**

---

**"Just a note** to let you know that we arrived back in the UK safely.

Our holiday was everything you said it would be – truly awesome! We were already talking about *next* year's trip on the plane going home.

Thanks for a GREAT holiday."

**Julie & Joseph Horsfield**

---

**"Home 6 weeks now** and people are *still* asking me how I enjoyed my holiday. I tell them it wasn't a holiday – it was an *adventure*.

Thanks again for all your help in making my 'holiday' the adventure of a lifetime."

**Vincent Drain**

**"FLYRIDE-USA's excellent service** and planning made my vacation a tremendous success and a high point in my life – not just my motorcycling life."

**Ken McMunn**

**"The USA at 70 plus...**  
(Years-old I mean, not MPH.)

We are still trying to come to terms with all that we have seen and experienced. We rode across prairie, rode 100 miles following the same river, rode over an 11,000 ft pass in the Rocky Mountains, went into a canyon deeper than the Grand Canyon, met friendly people everywhere and talked to dozens of bikers. The whole trip was just magic.

We have been biking for 52 years and have been to most places, but the USA really opened our eyes to what a wonderful world we live in.

We did our homework beforehand and had the utmost help from FLYRIDE-USA.

It's not cheap, but save-up, hit the plastic, anything. But do GO! You'll never forget it."

**"The tour itself** was an amazing experience, which surpassed all our expectations. Anyone thinking of doing this tour [CD] should stop thinking and DO IT! Life is too short to miss the 'DREAM'.

Our thanks once again to the dedication of FLYRIDE-USA's crew."

**Colin Northern & Irene Clayton**

**"We would both like to** take this time to thank you for making our vacation to Central Oregon very special and most memorable.

Your customer service was excellent and your machine was top notch.

Thank you for being part of the great vacation getaway."

**Bob & Peg**

**"Having always** toured the UK and Europe we decided, at two weeks notice, to hire a bike and take three weeks touring in the USA.

It was the best biking holiday we have had, everything was covered. We arrived in 75°f and then experienced temperatures up to 104°f. On arrival back in Bend it was snowing in the mountains, although still nearly 80°f in town!

We will definitely go back to FLYRIDE-USA and book another touring route, there is so much more to see. THANK YOU."

**Patrick & Eileen Bullimore**

**"The bikes** were well suited to the job, being both comfy and handling well two-up with luggage.

The hotels were also good value-for-money, and FLYRIDE-USA staff gave us friendly, personalised attention from start to finish. We'll definitely be going again."
